

BeatingThe Bounds

Sunday 13th June 2010

(Starts 9.30am Municipal Buildings, Truro)

Truro City Council

Reviving an ancient tradition, we invite you to join The Mayor of Truro, Cllr. Ron Cooke, in Beating the Bounds of Truro!

Not as you imagine to beat down the undergrowth to establish the boundary, but in beating the children to make sure that they knew where the boundary was... then being rewarded with a coin! ...

children may find something at beating points! **No beatings but an interesting, sociable and active event!**

Signing and checkpoints on the day. Bring your own water, picnic and dress sensibly.

If you can't manage the 15 miles we will allow you to drop-out! * Sensible dogs allowed

Particular thanks go to The Mayor for sharing this tradition!

The Rotary Club of Truro
