Cornwall Disabled Association
Charity No. 213113

We just enjoyed a great day out in the CDA 's DDA compliant 39 seater coach and were thrilled that it is adapted for easy access for disabled users like ourselves!

Even better, we hired it at a subsidised rate which is available to groups, clubs and organisations throughout Cornwall, so clubs and affiliated groups can organise their own trips or holidays!

The coach has a passenger lift to enable easy access and can carry up to five people in their own wheelchairs!

Cornwall Disabled Association, known fondly as "Freedom on Wheels" arrange full day excursions, picking up at convenient locations throughout the county!

PS...They also have a lovely caravan at Monkey Tree Farm, Rejerrah, purpose built to accomodate wheelchairs. This is designed to enable anyone with disabilities, along with family, friends or carers to enjoy an independent holiday near the sea!

Fun, Freedom and Friendship!
